Call For Papers

(November 2016 - January 2017) Volume: 4 No: 1

i-manager Publications is a leading publishing house specialized in publishing Scientific, Technology, Education and Management Journals. The first Journal “i-manager's Journal of Educational Technology” was released way back in 2004, and the first Engineering Journal, “i-manager's Journal on Engineering and Technology” was released in 2005. The credibility and impact of these publications in the Indian economic and academic environment reinforced the founding vision of i-manager Publications: promoting technology education and present international research worldwide.

Cloud Computing is one of the most significant transformation in information technology with many advantages to both companies and end users, and the main feature of Cloud Computing is combination of vast software and common hardware to provide a powerful Computing Paradigm. i-manager's Journal on

Cloud Computing present an arena to the academics, professionals and high level engineering students in IT stream to undergo research on cloud computing.

Features

Articles, Research Papers, Review Papers.

Target Audience

Academicians, practitioners and post-graduate students in the field of Cloud Computing, University Educational Bodies, Researchers, etc.

Periodicity

February-April, May-July, August-October, November-January

Type of Submissions

Research papers (maximum of 20 pages)

Articles (maximum of 10 pages)

Abstracting / Indexing

Deadline : 10th April 2017

Submission email : submissions@imanagerpublications.com

Overall Topics covered:

- ◆ Cloud /Grid architecture
- ◆ Cloud-based Services and Education
- ◆ Cloud-Delivered Testing
- ◆ Cloud Lock-in vs. Cloud Interoperability
- ◆ Multi Cloud Frameworks & APIs
- ◆ Data Security & Encryption on Cloud
- ◆ Elastic Computing
- ◆ Private vs. Public Clouds
- ◆ Interoperability and emerging standards
- ◆ Master data Management
- ◆ Software architectures and technology platforms
- ◆ Software development processes
- ◆ Cloud Data Governance
- ◆ Financial impacts, pricing and sales models in cloud
- ◆ Legal and country-specific aspects in cloud
- ◆ Green computing model for clouds
- ◆ Threat handling and security issues in clouds
- ◆ Enterprise applications and OS development on clouds
- ◆ QoS for applications on clouds
- ◆ Optimization and performance issues on clouds
- ◆ Communication protocols for clouds
- ◆ Database for clouds
- ◆ Web 2.0 and clouds
- ◆ Cloud Software Patch and License Management
- ◆ Cloud Migration
- ◆ Cloud Composition, Federation, Bridging and Bursting
- ◆ Cloud Solution Design Patterns
- ◆ Infrastructure, Platform, Application, Business, Social, and Mobile Clouds
- ◆ Storage, Data, and Analytics Clouds
- ◆ Cloud Quality Management and Service Level Agreement (SLA)
- ◆ Cloud Configuration, Performance and Capacity Management
- ◆ Cloud Workload Profiling and Deployment Control
- ◆ Resource Virtualization, Composition and Integration in Cloud
- ◆ Cloud support for mobile applications and Content Delivery Networks
- ◆ Services running on the cloud
- ◆ Cloud computing standards and compliance
- ◆ Platform as a Service and cloud computing
- ◆ Cloud development and testing
- ◆ Big data and Business Intelligence (BI)
- ◆ Building scalable websites in the cloud

Submission Guidelines

The author must provide:

- ◆ name,
- ◆ job title,
- ◆ Organisation/institution of affiliation name,
- ◆ a brief biographical description,
- ◆ a photograph in JPEG format.

In case of more than one author, the corresponding authors' full details including email, fax, phone and address for communication need to be provided.

In addition:

- ◆ The paper needs to contain a title, an abstract, keywords, a main body and references,
- ◆ All references should be cited,
- ◆ APA format should be followed for reference, citation and tables,
Font style: Arial in 10 pt size,
- ◆ Figures and tables should follow the references. Make sure that every table or figure is referred in the text.
The table or figure will be placed after the first mention in the text,
- ◆ Illustrations if provided, should be clear and in JPEG format,
- ◆ All articles should be error free to the maximum extent possible and any technical matter must be as clear as possible.

Submission Procedure

Researchers and practitioners are invited to submit on or before the deadline the manuscript including author name, job title, organization/institution, biographical note and a maximum of 200 words abstract with the title of the paper.

All manuscripts are expected to be submitted before the deadline along with acknowledgement stating that it is an original contribution.

Contact Details

Submissions have to be sent electronically, in MS Word format:

You can submit your papers in the online portal <http://www.imanagerpublications.com/AuthorLoginPage.aspx> by registering yourself as an author in the New Registration link if you are a new user, or use your existing Username and password to enter the Author Home page. By clicking on the link Contribute Article/RP you can submit the papers online.

Alternatively you can send it via email to the Issue Editor at submission_jcc@imanagerpublications.com. We look forward to receiving your articles\research papers.
