i-manager Publications is a leading publishing house specialized in publishing Education, Technology and Management Journals. The first “i-manager's Journal of Educational Technology” was released way back in 2004, and the first Engineering Journal, “i-manager's Journal on Engineering and Technology” was released in 2005. The credibility and impact of these publications in the Indian economic and academic environment reinforced the founding vision of i-manager Publications: promoting Scientific and technology education in India and present international research worldwide.

i-manager's Journal on Nursing is a step towards serving the healthcare community by presenting high quality research and practice papers on innovative techniques and successful practices in nursing with potential to advance knowledge for practice, Education, management or policy.
