*Professor and Head,  
Department of Civil Engineering,  
RV College of Engineering,  
Mysuru Road, Bengaluru, India.*

## Call For Papers

i-manager Publications is a leading publishing house specialized in publishing Scientific, Technology, Education and Management Journals. The credibility and impact of these publications in the Indian economic and academic environment reinforced the founding vision of i-manager Publications: promoting technology education and present international research worldwide.

i-manager's Journal on Structural Engineering deals with the planning and management of construction of structures and it also focus on the analysis, design, plan, research of structural components and structural systems. The Journal aims to focus on high quality papers from academia and practitioners in all areas pertaining to Structural Engineering.

### Why Publish with us?

- No Publishing Fee
- Abstracting & Indexing in leading databases
- Double-blind Peer Review
- Highly qualified Editorial Board
- Publishing Journals since 2004
- Maximum Publicity in Social media
- Rapid Publication: 2-3 months
- Full archive available from Volume 1 onwards

### Abstracting / Indexing

## Overall Topics covered:

- ◆ Pushover analysis
- ◆ Water Supply and Drainage Engineering
- ◆ Structural Design and Structural analysis
- ◆ Bridge and Transportation Structures
- ◆ Durability of concrete tunnels
- ◆ Bridge Deflection measurements
- ◆ Building materials, technology & structures
- ◆ Structural & Vibration Engineering
- ◆ Smart Materials and Structures in Automotive Applications
- ◆ Smart Structures and Systems
- ◆ Spacecraft and reentry vehicle structures
- ◆ Computational Analysis of Randomness in Structural Mechanics
- ◆ Building and Earthquake Engineering
- ◆ Building Foundations and Shoring design
- ◆ Real world Structural Engineering
- ◆ Optimum Design of Structures and High Performance Concrete
- ◆ Environmental Modeling and Engineering
- ◆ Quality Assurance and Benchmarking
- ◆ Concrete Technology
- ◆ Structural analysis & optimization
- ◆ Geotechnical and Water Resources Engineering
- ◆ Design & Construction of structures
- ◆ Special and Futuristic Constructions
- ◆ Futuristic Construction Materials and Techniques (FCMT)
- ◆ Fibre Reinforced Polymer (FRP)

## Features

Articles, Research Papers, Review Papers.

## Periodicity

December-February, March-May, June-August, September-November

## Target Audience

Academics, practitioners and post-graduate students in the field of Structural Engineering, University Educational Bodies, Researchers, etc.
