

i-manager's Journal on

Power Systems Engineering (JPS)

Published by i-manager Publications, India.

<http://www.imanagerpublications.com>

Editor-in-Chief: Dr. V. Sankar

Professor,

Department of EEE,

Jawaharlal Nehru Technological University Ananthapur, Andhra Pradesh, India.

Corresponding Editor: Ms. Y. Joslin Shini

Call For Papers

(November 2017 - January 2018) Volume: 5 No: 4

i-manager Publications is a leading publishing house specialized in publishing Scientific, Technology, Education and Management Journals. The first Journal “i-manager's Journal of Educational Technology” was released way back in 2004, and the first Engineering Journal, “i-manager's Journal on Engineering and Technology” was released in 2005. The credibility and impact of these publications in the Indian economic and academic environment reinforced the founding vision of i-manager Publications: promoting technology education and present international research worldwide.

i-manager's Journal on Power Systems Engineering highlight the latest trends in research in the field of power generation, transmission and distribution encompassing all aspects of power electronics. A key challenge to the operation, control and

protection of the power system is the proliferation of power electronic devices within power systems. The main thrust of i-manager's Journal on Power Systems Engineering is to bring out the latest research trends in the power sector that combines academia and industry alike. The objective of the Journal on Power Systems Engineering is to provide a forum for the exchange of scientific and technical information related to electric power systems, power systems monitoring, automatic control, power electronics, high-voltage engineering, conventional operation and digital communication systems, that address researchers, Industrial Engineers, Lecturers and senior students in Electrical Engineering.

Features

Articles, Research Papers, Review Papers.

Target Audience

Academicians, practitioners and post-graduate students in the field of Power systems.

Periodicity

February-April, May-July, August-October, November-January

Type of Submissions

Research papers (maximum of 20 pages)

Articles (maximum of 10 pages)

Abstracting/ Indexing

Deadline : 30th November 2017

Submission email : submissions@imanagerpublications.com

Overall Topics covered:

- ◆ Power System analysis and computing
- ◆ Power system static and dynamic models and performance
- ◆ Power system control and Operation
- ◆ Power system planning
- ◆ Flexible Alternating Current Transmission System & High Voltage Direct Current
- ◆ Power transmission and distribution
- ◆ Power system protection/ relaying
- ◆ Portable Power Systems
- ◆ Applications of power electronics to power systems
- ◆ Power quality and Grounding
- ◆ Distributed generation systems, micro grid operation and wind power systems
- ◆ Power system optimization
- ◆ Power system communication
- ◆ Power system instrumentation
- ◆ Computer Applications in Power Systems
- ◆ Fuel Cells and Batteries
- ◆ Analog & Digital Design
- ◆ Synchrophasors in Power Systems
- ◆ Advanced Distribution and Supervisory Control And Data Acquisition Technologies
- ◆ Control Strategies for Modern Power System Stability
- ◆ Electromagnetic Analysis in Power Systems
- ◆ Over-voltage, Lightning Protection and Grounding
- ◆ Power System Management Technologies
- ◆ Power System Monitoring and Mitigation Technologies
- ◆ Electromagnetic Compatibility in Power Systems
- ◆ Processes & Materials
- ◆ Fault Detection and Diagnosis
- ◆ Power Electronics & Power Systems
- ◆ Soft computing applications in power systems
- ◆ SCADA (Supervisory Control And Data Acquisition) Systems

Submission Guidelines

The author must provide:

- ◆ name,
- ◆ job title,
- ◆ Organisation/institution of affiliation name,
- ◆ a brief biographical description,
- ◆ a photograph in JPEG format.

In case of more than one author, the corresponding authors' full details including email, fax, phone and address for communication need to be provided.

In addition:

- ◆ The paper needs to contain a title, an abstract, keywords, a main body and references,
- ◆ All references should be cited,
- ◆ APA format should be followed for reference, citation and tables,
Font style: Arial in 10 pt size,
- ◆ Figures and tables should follow the references. Make sure that every table or figure is referred in the text. The table or figure will be placed after the first mention in the text,
- ◆ Illustrations if provided, should be clear and in JPEG format,
- ◆ All articles should be error free to the maximum extent possible and any technical matter must be as clear as possible.

Submission Procedure

Researchers and practitioners are invited to submit on or before the deadline the manuscript including author name, job title, organization/institution, biographical note and a maximum of 200 words abstract with the title of the paper.

All manuscripts are expected to be submitted before the deadline along with acknowledgement stating that it is an original contribution.

Review Procedure

The Journal follows a double blind peer-review process. The submitted articles / research papers are reviewed by Professors / Educators in Power Systems Engineering field.

The final selection of the papers would be based on the report of the review panel members.

Contact Details

Submissions have to be sent electronically, in MS Word format:

You can submit your papers in the online portal <http://www.imanagerpublications.com/AuthorLoginPage.aspx> by registering yourself as an author in the New Registration link if you are a new user, or use your existing Username and password to enter the Author Home page. By clicking on the link Contribute Article/RP you can submit the papers online.

Alternatively you can send it via email to the Issue Editor at submissions@imanagerpublications.com. We look forward to receiving your articles\research papers.

Deadline : 30th November 2017

Submission email : submissions@imanagerpublications.com
