Volume: 12 No: 3

i-manager Publications is a leading publishing house specialized in publishing Scientific, Technology, Education and Management Journals. The credibility and impact of these publications in the Indian economic and academic environment reinforced the founding vision of i-manager Publications: promoting technology education and present international research worldwide.

i-manager's Journal on Software Engineering deals with the younger generation needs which to be tuned with critical perspectives on the existing methods of Information Technology, to find answers to their constant quest about the new dimensions of Artificial Intelligence, to explore new frontiers of computer science and to pave way to the domain of the virtual reality. i-manager's Journal on Software Engineering is an earnest effort to evolve the youth to achieve their

full potentials. The Journal is solely devoted to the illumination of IT based younger generation and through this Journal we intend to serve as a platform for the researchers.

Why Publish with us?

- No Publishing Fee
- Abstracting & Indexing in leading databases
- Double-blind peer review
- Highly qualified editorial board
- Publishing Journals since 2004

Abstracting / Indexing

Overall Topics covered:

- ◆ Software and Systems Architecture
- ◆ Software Variability
- ◆ Software Testing and Architecture
- ◆ Internet Software and Systems Engineering
- ◆ Software Design and Development
- ◆ Software Tools and Techniques
- ◆ Software Security, Optimization and Standardization
- ◆ Databases and Data Mining
- ◆ Quality Software
- ◆ Coding and Compression
- ◆ Artificial Intelligence and Applications
- ◆ Intelligent Systems and Control
- ◆ Machine Learning
- ◆ Intelligent and Hybrid Control Systems
- ◆ Intelligent Data Systems and Computing
- ◆ Algorithm and Protocol
- ◆ Virtual Environments and Web Applications for E-Learning
- ◆ Social and Legal Aspect of Internet Computing
- ◆ High Performance Communication Systems
- ◆ High Performance Computing and Networking
- ◆ Fault-Tolerant Networks and Software Fault Tolerance
- ◆ Parallel and Distributed Database
- ◆ Defect Tolerance
- ◆ Software Evolution
- ◆ Computer Graphics and Visualization
- ◆ Geometric Objects and Transformations

Features

Articles, Research Papers, Review Papers.

Periodicity

January-March, April-June, July-September, October-December

Target Audience

Academicians, practitioners and post-graduate students in the field of Software Engineering, University Educational Bodies, Researchers, etc.
