

i-manager's Journal on

Structural Engineering (JSTE)

Published by i-manager Publications, India.

<http://www.imanagerpublications.com>

Editor-in-Chief: Dr. Radhakrishna

*Associate Professor,
Department of Civil Engineering,
R.V College of Engineering, Mysore Road, Bangalore, India.*

Corresponding Editor: Ms. Rethinam

Call For Papers

(December 2017 - February 2018) Volume: 6 No: 4

i-manager Publications is a leading publishing house specialized in publishing Scientific, Technology, Education and Management Journals. The first Journal “i-manager's Journal of Educational Technology” was released way back in 2004, and the first Engineering Journal, “i-manager's Journal on Engineering and Technology” was released in 2005. The credibility and impact of these publications in the Indian economic and academic environment reinforced the founding vision of i-manager Publications: promoting technology education and present international research worldwide.

i-manager's Journal on Structural Engineering deals with the planning and management of construction of structures and it also focus on the analysis, design, plan, research of structural components and structural systems. The Journal aims to focus on high quality papers from academia and practitioners in all areas pertaining to Structural Engineering.

Features

Articles, Research Papers, Review Papers.

Target Audience

Academicians, practitioners and post-graduate students in the field of Structural Engineering, University Educational Bodies, Researchers, etc.

Periodicity

December-February, March-May, June-August, September-November

Type of Submissions

Research papers (maximum of 20 pages)

Articles (maximum of 10 pages)

Abstracting / Indexing

Listed under UGC approved List of Journals 2017

Overall Topics covered:

- ◆ Pushover analysis
- ◆ Water Supply and Drainage Engineering
- ◆ Structural Design and Structural analysis
- ◆ Bridge and Transportation Structures
- ◆ Durability of concrete tunnels
- ◆ Bridge Deflection measurements
- ◆ Building materials, technology & structures
- ◆ Structural & Vibration Engineering
- ◆ Smart Materials and Structures in Automotive Applications
- ◆ Smart Structures and Systems
- ◆ Spacecraft and reentry vehicle structures
- ◆ Computational Analysis of Randomness in Structural Mechanics
- ◆ Building and Earthquake Engineering
- ◆ Building Foundations and Shoring design
- ◆ Real world Structural Engineering
- ◆ Optimum Design of Structures and
- ◆ High Performance Concrete
- ◆ Environmental Modeling and Engineering
- ◆ Quality Assurance and Benchmarking
- ◆ Concrete Technology
- ◆ Structural analysis & optimization
- ◆ Geotechnical and Water Resources Engineering
- ◆ Design & Construction of structures
- ◆ Special and Futuristic Constructions
- ◆ Futuristic Construction Materials and Techniques (FCMT)
- ◆ Fibre Reinforced Polymer (FRP)

Submission Guidelines

The author must provide:

- ◆ name,
- ◆ job title,
- ◆ Organisation/institution of affiliation name,
- ◆ a brief biographical description,
- ◆ a photograph in JPEG format.

In case of more than one author, the corresponding authors' full details including email, fax, phone and address for communication need to be provided.

In addition:

- ◆ The paper needs to contain a title, an abstract, keywords, a main body and references,
- ◆ All references should be cited,
- ◆ APA format should be followed for reference, citation and tables,
Font style: Arial in 10 pt size,
- ◆ Figures and tables should follow the references. Make sure that every table or figure is referred in the text. The table or figure will be placed after the first mention in the text,
- ◆ Illustrations if provided, should be clear and in JPEG format,
- ◆ All articles should be error free to the maximum extent possible and any technical matter must be as clear as possible.

Submission Procedure

Researchers and practitioners are invited to submit on or before the deadline the manuscript including author name, job title, organization/institution, biographical note and a maximum of 200 words abstract with the title of the paper.

All manuscripts are expected to be submitted before the deadline along with acknowledgement stating that it is an original contribution.

Review Procedure

The Journal follows a double blind peer-review process. The submitted articles / research papers are reviewed by Professors / Educators in Structural Engineering field.

The final selection of the papers would be based on the report of the review panel members.

Contact Details

Submissions have to be sent electronically, in MS Word format:

You can submit your papers in the online portal <http://www.imanagerpublications.com/AuthorLoginPage.aspx> by registering yourself as an author in the New Registration link if you are a new user, or use your existing Username and password to enter the Author Home page. By clicking on the link Contribute Article/RP you can submit the papers online.

Alternatively you can send it via email to the Issue Editor at submissions@imanagerpublications.com. We look forward to receiving your articles\research papers.

Deadline : 15th December 2017

Submission email : submissions@imanagerpublications.com
