**Editor-in-Chief: Dr. R. A. Thakur**  
*Director IITM,  
India.*

## Call For Papers

i-manager Publications is a leading publishing house specialized in publishing Scientific, Technology, Education and Management Journals. The credibility and impact of these publications in the Indian economic and academic environment reinforced the founding vision of i-manager Publications: promoting technology education and present international research worldwide.

i-manager's Journal on Data Science & Big Data Analytics aims to bring the best of research and innovations in the field of Data Science and Engineering and reveal the hidden patterns found in the data captured in very large databases with the precision of human intelligence. The Journal will bring bright ideas ignited in the young minds that will explore future opportunities in the area of data security, supply chain automation, industrial automation and fields that are yet to be envisioned. The Journal aims to provide a platform for academicians, researchers and students to expose the knowledge from the evolving domain of data science with fresh reviews, research experiment with new concepts in data modelling, case studies of successes in implementation of new technologies etc.

### Why Publish with us?

- No Publishing Fee
- Double-blind Peer Review
- Highly qualified Editorial Board
- Publishing Journals since 2004
- Maximum Publicity in Social media
- Rapid Publication: 2-3 months

### Features

Articles, Research Papers, Review Papers.

### Target Audience

Academicians, practitioners and post-graduate students in the field of Artificial Intelligence and Machine Learning, University Educational Bodies, Researchers, etc.
